1. Title and Applicability

Azad Engineering Limited (Formerly known as “Azad Engineering Private Limited”) (hereinafter referred to as “**Azad**”) has developed a Corporate Social Responsibility Policy (hereinafter referred to as “**CSR Policy**”) in alignment with its objective, principles and values, for delineating its responsibility as a socially and environmentally responsible corporate citizen. The Policy lays down the principles and mechanisms for undertaking various programs in accordance with requirements of Section 135 of the Companies Act 2013 (“**Act**”) and Rules thereof, the said CSR policy is enunciated herein.

2. CSR Vision

The core theme of the CSR policy is giving back to the society from which it draws its resources by extending helping hand to the needy and the underprivileged. Corporate Social Responsibility is a commitment of business to contribute for sustainable economic development. It is the contribution of the corporate sector for philanthropic cause(s) like education, health, water, environment and community welfare. In alignment with the vision of the Company, through its CSR Policy the activities and initiatives taken up will continue to enhance value creation to the society, through its services and conduct, so as to promote sustainable growth to the society, in fulfillment of its role as a Socially Responsible Corporate, with environmental concern.

3. Scope of CSR Activities

Activities which may be undertaken by the Company are (as per Schedule VII [as amended from time to time]):

- i. Eradicating hunger, poverty and malnutrition,[promoting health care including preventive health care] and sanitation [including contribution to the Swach Bharat Kosh set-up by the Central Government for the promotion of sanitation] and making available safe drinking water.
- ii. promoting education, including special education and employment enhancing vocational skills especially among children, women, elderly, and the differently abled and livelihood enhancement projects;
